This is in response to your letter of May 19, 2006 regarding our amended August, September, and October monthly reports.

The Committee owns the buliding it occupies, and it is paid in full. Additionally, all expenditures made by the Committee for administrative expenses were paid from the Committee's federal account. All of these expenditures have been included in the above mentioned report. There were no administrative/allocable expenditures made from the Committee's non-federal account.
